Coast to Cradle Escape - 2 or 3 days

DAY 1 On the outskirts of Devonport we begin the challenging climb through stunning countryside to the iconic Cradle Mountain. On the way we'll stop to admire the scenery and have a picnic lunch. If you've had enough on the bike, jump in our comfortable support vehicle. At Cradle Mountain your accommodation will allow you to feel immersed in the wilderness. Relax in the calm and enjoy a well-earned gourmet barbeque under the stars.

DAY 2 Spend the morning exploring this famous icon and partaking in any of the exciting adventures that are on offer - maybe a bush walk, some fly fishing, a helicopter flight or some kayaking on Dove Lake. Then it's on the bike for an exhilarating ride and some fast descents, as we wind our way back to the valleys near Devonport. If you're leaving us we'll assist with transfers, or if you are staying the extra night, it's on to your quality accommodation in the Devonport area. Included is dinner tonight in an eminent local restaurant.

DAY 3 A light scenic coastal ride along the North-West Coast and then we'll escort you to a local vineyard for a platter lunch and some fine, cool-climate Tasmanian wine. It's then back to Devonport, where you can choose to extend your stay, or we'll assist with transfers.

All tours are fully escorted, have a maximum of ten people and start and conclude in Devonport. Departure dates available on application. Our tours are "not just about the bike": comfortable, quality accommodation (minimum 4 star) is selected; restaurants and vineyard experiences are the finest the region has on offer, so you can indulge in the total Tasmanian experience. Pick up can be arranged from hotels in the Devonport area, the Devonport Airport or the Spirit of Tasmania Terminal.

Experience the essence of an island.
